

## City of Boston Alzheimer's Community Forum

Mobilizing local community members in the fight against Alzheimer's and all other dementia

**Tuesday, February 8 | 5:30-7 PM**

***Now a Virtual Community Forum via Zoom***

The Community Forum will be an opportunity to share your thoughts about the impact of dementia on your family or the community and to provide input on how we can better meet the needs of the community. Learn about available resources, volunteer opportunities, and discuss your experiences in an effort to bolster programs and services to support families.

**To register, call our 24/7 Helpline  
at 800-272-3900 or [click here](#)**

*This Community Forum is for residents of  
Boston, MA. Registration is required.*
